General News

***An Invitation to Participate in a Lasallian Formation Program***

Many who work in a Lasallian ministry have a desire to learn more about the Lasallian charism: the history of the founding of the Christian Brothers congregation, the distinctive qualities of Lasallian spirituality and pedagogy, and the future of the Lasallian educational movement.

The Philadelphia Area Lasallian Ministries (PALM) will sponsor a program for Lasallians in the area. The program, *An Introduction to the Lasallian Charism (ILC)*, is an opportunity to join with other Lasallians in exploring and strengthening relationships and enriching their work and personal lives.

What is the ILC?

The ILC consists of three seminars, each dealing with a different aspect of the charism. The material will be presented chronologically. It begins with an examination of the past, moves to a discussion of the present, and concludes with a consideration of the future.

Who are the presenters?

Seminar I: The Founding Story led by Br. Brian Henderson, Mike Wisniewski and Pat Foley

Seminar II: Present Realities led by Br. Kevin Dalmasse and Br. Miguel Campos

Seminar III: The Future led by Jim Logan, Nick Coggins, Dan Rhoton, Teresa Diamond, and Ray Ricci

When and Where?

Seminar I will be held on Saturday, January 30

Seminar II will be held on Saturday, April 17

Seminar III will be held on Saturday, May 22

Seminar I and II will be held on La Salle University's campus. The location for Seminar III will be announced later.

All seminars run from 9:00 AM to 2 PM. Lunch will be provided.

There is no charge for the seminars.

Why participate?

As Lasallians, we contribute to the mission of our various ministries.

To do so requires an understanding of the charism. The ILC will give a basic introduction to the Founder and the Lasallian educational mission, address the role of lay partners and the relevance of Lasallian values in our professional and personal lives. The ILC will give an opportunity to explore the Lasallian spiritual heritage in adult faith development.

Who should attend?

Those interested in an introductory exploration of the charism or who may be interested in participating in other formation programs.

For more information, contact either Mike Wisniewski or Ray Ricci. To register, complete the form on the reverse side of this announcement by January 5, 2010.

Excused: F. Mosca

Approval of Minutes

The minutes of the meeting of October 29, 2009 were approved by a vote of 16-0-2.

Guests—Provost and Dean, School of Arts & Sciences

President Welsh welcomed the Provost, Richard A. Nigro, and the Dean, School of Arts & Sciences, Thomas A. Keagy. The Provost spoke on the tenure and promotion process. The Faculty Senate will follow up this discussion at a later time.

Dean Keagy spoke on the process being used in the School of Arts & Sciences to review the core curriculum committee has been appointed, consisting of faculty members who have joined the University at some point after the period in which the last core curriculum was being developed. The relationship between the core and the majors is being examined, as well as how the core curriculum can best be assessed. A draft mission statement and learning goals have been developed for discussion purposes, and are being shared with the other schools as well as with Learning Support Services, Student Affairs, and the University administration.

The role of the University Curriculum Committee as well as the Faculty Senate was discussed. It was noted that the most recent revision of the Core Curriculum, ending in 2000, involved a core design committee appointed by the Faculty Senate.

FAP—Dr. Cichowicz

The Senate unanimously asked that a letter be sent to the administration from the Faculty Senate, thanking the University for the restoration of the 8 % match in the retirement program. The President has announced that the retirement program will be restored effective January 1, 2010.

Executive Session

President Welsh advised that a committee is being formed to review the health insurance program, and the Senate is being asked to appoint two faculty representatives to the committee. The Senate determined that they would like to appoint three faculty representatives. These nominations were made and President Welsh will take these names back to the administration, along with the request that there be three rather than two faculty representatives from the Faculty Senate. The Senate also asked that the faculty representatives come to the Senate to solicit faculty views before the work of this committee is concluded.

The meeting was adjourned at 1:45 p.m.

Respectfully Submitted by
Bonni H. Zetick, *Secretary*
